

## **James Arnold**

James Arnold is currently the Technical Director for the Accredited Testing & Evaluation Laboratories, including both the Common Criteria Testing Laboratory (CCTL) and the Cryptographic Module Testing Laboratory (CMTL), operating in the U.S. Common Criteria Evaluation and Validation Scheme (CCEVS) and Cryptographic Module Validation Program (CMVP), respectively. He became a commercial product evaluator over 23 years ago in the U.S. Trusted Product Evaluation Program (TPEP) where he served as Chief Evaluator and was a direct author of version 1.0 of the Common Criteria.

Since joining SAIC, he has continued to perform commercial product evaluations in the U.S. Trust Technology Assessment Program (TTAP) and by providing consulting services and performing evaluations using the Common Criteria in the context of the CCEVS. James has previously co-authored and/or delivered presentations at the 1st, 7th, 8th, and 9th ICCCs.
