

## **Miriam Serowy**

Ms. Miriam Serowy, BSI, Germany:

After her studies of Computer Science at the University of Applied Sciences of Cologne, Ms. Serowy joined the Common Criteria Certification Body at the BSI in 2005. There she works on the certification of large software products like operating systems and firewalls, and on the certification of systems conforming to ISO/IEC 27001. She also represents the BSI in the Common Criteria Maintenance Board, the German Institute for Standardization, and ISO SC27 WG 3, following and supporting the further development of the Common Criteria and their standardization.
